Listening

Listen to the passage carefully and write the answer.

1. Name the scientist.
2. What did he discover?
3. Who approached the scientist?
4. What question did the journalist ask?
5. When did they meet the scientist?

Note: The listening passage is given on page 227.

Speaking

Take a few minutes and make hints of the picture. Arrange your thoughts. Using the points you write, deliver a small speech focusing the issue picturised here. Give an interesting and informative speech. Your speech should include the cause and the solution.
